ency for distribution, according to the terms and conditions prescribed in the national currency act, subject to the same rules that governed the distribution of the amount originally authorized by he act of congress.

It has been reported that ex-President efferson Davis lost some money which to was supposed to have in the hands of Frazer, Trembolm & Co. This is an error. Frazer, Tremoun & Co. This is an error. He had no finds on deposit with that firm. But, upon the collapse of the Confederacy, Mr. Judah Benjamin procured from the firm on account of the Coufederate funds, a bill for twelve thousand dollars is gold, which was duly paid.

Mr. Davis had received his salary in Confederate paper, and the sum thus socured for him as a nartial resumeration.

For St. Louis the elegant passenger packet Marble City will leave at 5 p.m. Confederate paper, and the sum thus secured for him as a partial remoneration for the loss of depreciated paper was strictly due. It is true, however, that other members of the Confederate government were not so fortunate.

The New Orienas Ficonome of Thesday says: "Suit has been instituted in the United States district court by Messrs, George Soule and others, depositors in the Bank of Commerce, of this city, forcing the proprietor, Mr. Jacob Barker, into bankruptcy.

and otherwise of exceedingly dull times | Fenny Brandies. He will use her for a in that locality. The stagnation extends short time in raising the Sam. Kirkman, in that locality. The stagnation extends to nearly all branches of commerce. The laborer and longshoremen have not, on some of the principal wharves, averaged a foll day's work per week for the last menth. The number of large ships arriving has been very small, and the number local the principal wharves, averaged to be the principal wharves, averaged a foll day's work per week for the last menth. The number of large ships arriving has been very small, and the number of the Dana Able, for a list of tax sales to come off in Vicksburg. We conned over the names very carefully, and as our storage for several weeks past have been shut up, to a great extent, neither receiving nor delivering merchandise, and all those connected with them have had very quiet times.

these connected with them have had very quiet times.

New wheat from Georgia has made its appearance on the New York corn exchange. The ripening of the harvest will advance northward at the rate of twelve miles a day. In the tide-water regions of Virginia the harvest will communicate by the 15th inst. New southern wheat will soon be in market. The Norfolk Day Book remarks:

"Golton, tobucco, and sugar, therefore, bid fair to become secondary consideradecision, to secondary considerations in comparison with the crops. We
are informed that wheat, which is shown
to be of a superior quality to that raised
at the north, can be cultivated in a comparatively short season and with few inmust proceed to enforce their claims according to the
tachment under the state statute of 1862,
against vessels, is in contravention of the
constitution of the United States and the
nets of congress, and beginning acparatively short season and with few inparatively short season and with season and with season and with seaso sets of congress, and hereafter parties must proceed to enforce their claims according to the rules of admiralty.

The sooner this question is tried in our own courts the better. We do not think it a just law which enables a man who may or may not hold a claim against a vessel to the her up, thereby causing the amount claimest, no matter how iniquitions and the best of the labor now on the ground; and the best of the labor now on the ground that the rules of admirally considered.

The sooner this question is tried in our own courts the bester. We do not t
